GREAT GATSBY GALA

Sponsorship Packet

Gaitros Hangar, Decatur Airport

6:30pm - 10:00pm

CASA MISSION STATEMENT:

To provide court appointed volunteers to advocate for the abused, neglected, and/or dependent children who are involved in the juvenile court system.

The Macon County Court Appointed Special Advocates (CASA) Board of Directors are seeking your support to help Macon County CASA continue to advocate for our community's children in foster care. In 2018, there were over 580 cases of abuse and neglect in Macon County. CASA has served over 315 of these children with 120 volunteer advocates. Your sponsorship helps CASA provide advocacy to more children in our community so they can have a safe and permanent home.

MACON COUNTY CASA INVITES YOU TO PARTICIPATE IN OUR:

GREAT GATSBY GALA

This unforgettable evening of cocktails, cuisine, and silent & live auctions will take you back in time to the Roaring 20's as you step inside the exclusive Gaitros Hanger at the Decatur Airport, with entertainment by the Juan Cardenas Jazz Quartet and a musical extravaganza by award winning Ragtime pianist Julie McClarey and special guests.

We would love your help in making this new event a success. With your sponsorships, we are working toward ensuring that all Macon County children will have the opportunity for a bright and promising future.
